

Negotiation Skills

Course Outline

The development of on-going customer relationships is key to any successful organisation. Unless negotiations achieve a win-win outcome, it is likely that such relationships will break down over time. This training from H2 will demystify the process and the underlying core skills of effective negotiation. It will give participants the knowledge, skills and confidence they need to become effective negotiators, in a wide range of face-to-face and telephone situations.

KEY AIMS

1. To enable the development of key skills to operate effectively in negotiation situations
2. To promote the benefits of using a professional model to develop negotiation strategy
3. To provide important tools, techniques and tactics for use in negotiation situations
4. To identify methods by which negotiations can be planned, conducted and reviewed
5. To build confidence and skills to achieve a mutually acceptable outcomes
6. To enable participants to assess their current knowledge and ability and to plan their continuing development and maximise effective learning

KEY BENEFITS

Participants will be able to:

- Be more confident in negotiation situations
- Be able to strike better deals
- Strive for win-win agreements
- Foster ongoing customer relationships
- Gain best outcomes from inter-personal interactions
- Develop a range of transferable skills

The organisation will:

- Have more confident and skilled people
